

South Perth Primary School

Schedule of Contributions and Charges 2026

The *School Education Act 1999*, the *School Education Regulations 2000* and the *Contributions, Charges and Fees Manual* requires South Perth Primary School to communicate to all parents the contributions and charges that the education of their child may incur. This schedule of contributions and charges has been approved by the School Board.

Voluntary Contributions - \$60 per student

Funds collected go directly to the purchase of resources and services that support our students.

P&C Voluntary Approved Request - \$80 per family

The P&C Association is a major contributor to the school's physical, social and educational environment. This significant support is made possible by voluntary contributions, fundraising events and the volunteering of time and expertise.

Charges and Optional Costs - Items in this category indicate estimated costs that parents may incur when students participate in activities that are designed to reinforce the core educational program. The charges listed below are the **maximum** figure you can expect to pay per year. Charges vary from grade to grade and are dependent on what activities your child participates in.
